management services.

Quality Policy Statement P003

This organisation is committed to ensuring it delivers and maintains a high quality of services, processes and procedures provided to its clients.

The Directors and all personnel of LCM Environmental Limited are committed to a developed policy of assuring the supply of quality services, processes and procedures in accordance with the company's organisational goals and the expectations and needs of all clients in all aspects of the company's operational areas and services it supply's.

The Directors and Senior Management accept all responsibility for the provision of qualified and experienced management, personnel and skilled tradesman, suitable resources, documented working practices and procedures to ensure all contract commitments are both efficiently and effectively delivered and achieved.

The company's Quality Assurance System is certified to ISO 9001:2008 which is subject to continuing programme of internal and external assessment and surveillance by British Standards Institute (BSI).

To ensure the continued effectiveness of the company's Quality System, the Directors have appointed a SHEQ Manager with responsibility for the continuity of the Quality System including the continual review of company management system, policies and procedures in line with our current business activities to ensure full compliance with the International Standard for Quality Management Systems and Legislation.

The company's Quality Policy is a statement regarding quality of services, processes and procedures which is fully supported by the Director(s), senior management and personnel employed by LCM Environmental Limited.

The person responsible for the implementation of this policy is LCM Environmental's SHEQ Manager.
